

Rally Point
Tactical

Rally Point Tactical is a dedicated team of professionals whose sole focus is to provide our customers with innovative products, flexible procurement solutions, and mission enhancing training opportunities.

Our reputation is fast, efficient, and dependable service brought to you by industry veterans.

Rally Point Tactical offers the responsiveness of a small business with the resources and reach of a significantly larger firm. Our specialized customer service means that every single customer will receive a unique custom solution.

Every custom solution is branded under our proprietary brand, TAC-X.

TAC-X Kits are customized to meet every customer's specific needs. Assault Swimmers, Assault Breaching, VBSS, Tactical Communications, Expedient Shelter, or ultra light weight antenna solutions, whatever your mission calls for, Rally Point Tactical can provide your mission requirements. Any part. Any item.

TAC-X Kits help warfighters consolidate mission requirements so that units can spend less time with vendors and more time executing their mission. Procuring tactical equipment should not be the battle before the battle, and our unrivaled customer service ensures that units receive the equipment they need, when they need it.

Rally Point Tactical is the trusted partner of Elite Military Units, Expeditionary Units, and Warfighters worldwide. We resolve the most challenging acquisitions so you can get out the door.

Experience

Confidence

Results

RPT Consulting LLC., dba- Rally Point Tactical ("RPT") is a small business that specializes in providing premier equipment and services to its customers. RPT employs a comprehensive approach to the equipment, business, and services that we provide to our customers and the defense industry. With customers spanning the entire world we are able to offer our customers not just a solution but the best solution to expand operational capabilities.

The RPT staff utilizes their experience and knowledge to provide the most effective and efficient means to accomplish our customer's procurement efforts. With an ever expanding product line, RPT offers a "one stop" justification for any of our customer's requirements. Aligned with many of the leading manufacturers in the defense industry, RPT offers innovative and proven technologies that help expand the effectiveness of those protecting our freedoms worldwide.

Our customers rely on RPT to make sure that they have the right equipment to make their mission a success. Many of our products are essential to providing safety in the most critical of situations. RPT understands that sacrifices are made daily by the men and women supporting the protection of our freedom worldwide. With a devoted and focused operations staff, our customers receive the equipment they ordered, when they need it; customer service and value are never compromised.

The Rally Point Tactical Team would like to thank all of the men and women who stand unwavering in the path of evil, whether home or abroad; for we sleep peacefully at night by your tireless efforts. We are forever indebted.

Thank You!
